INTERNATIONAL CHRISTMAS MARKET ESSEN

The air is cold and clear, the smell of roasted almonds, mulled wine and delicacies from all over the world wafts into your nose, and all around you is a sea of light - welcome to the International Christmas Market Essen.

Find out for yourself that it is one of the most beautiful and largest in all of Germany. In a vote by the online platform „European Best Destinations!“, it was ranked number 1 in Germany and number 6 in Europe. A variety of stalls with handmade, traditional goods and international specialties awaits you on the numerous squares. One of the unique features of the International Christmas Market is its combination with the Essen Light Weeks. Wherever you walk or stand, you will experience the glow of lights that has been making Essen a special experience for 74 years. The medieval market on the Flachsmarkt takes you back in time and invites you to participate.

This year, children's eyes will light up again when they discover the animal park made of light throughout the city centre. A rhinoceros watches over Burgplatz, shy deer can be observed with caution on Kennedyplatz and a unicorn enchants the Kettwiger Straße.

Experience wonderful and warming moments in Essen's city centre. This map will help you find your way around.

Your EMG - Essen Marketing GmbH wishes you a great time at the International Christmas Market Essen.
