

Dear parents,

we have prepared some exercises for the kids to practice at home.

You will find the material attached to this letter.

Please make sure that your child spends at least \_\_\_\_\_ minutes each day at a fixed time working on the tasks or repeating the lessons.

Support your child with the exercises as much as possible.

If you have any questions about the content, please do not hesitate to contact us at this number \_\_\_\_\_ (teacher).  
(Lehrkraft)

If you or your child need further advice, please do not hesitate to contact \_\_\_\_\_ (counseling teacher, school social work or similar).  
(Beratungslehrkraft, Schulsozialarbeit o.ä.)

Important: If your child shows symptoms of illness such as fever, shortness of breath and cough, contact a doctor's office by phone and do not send your child to school. Further information - also in your language - can be found on the Internet at [www.essen.de/coronavirus](http://www.essen.de/coronavirus)

We will keep you updated on the further course.

We wish you and your family all the best.

Sincerely yours
